

Children's Week Book Project

Ages 0-4

The following stories are designed to be completed by children with the help of an adult. Questions are included with the stories to assist with prompting. Children are encouraged to be descriptive and imaginative.

Pre-verbal children are also encouraged to participate by creating colourful paintings or drawings using a concept from the story to explore colour, texture and shape.

Children's Week celebrates the interests, opinions, talents and Rights of all Children by promoting the articles of the UN Convention on the Rights of the Child. Children's week in WA is convened by Meerilinga Young Children's Foundation. The Children's Week Book Project is proudly supported by Healthway through the Go for 2 & 5 initiative and Lotterywest.
